## A FRIENDLY CONFESSION.

Brother and Sister Assisted in Their  
Father's Murder.

THEN DANCED GAYLY ALL NIGHT.

The Actual Murderer Was the Girl's Lover,  
Who Had Been Forbidden by His Victim  
to Visit Her--Killed with One Blow of  
an Ax.

LEAVENWORTH, Kan., April 9.—Young Charles Lambern and Annie Lambern, his sister, who are in jail here charged with complicity in the murder of their father, have confessed to having actively assisted Thomas Davenport, the lover of the girl and the friend of the brother, in the commission of the crime. Old man Lambern was murdered at his ranch in Fall Leaf township, this county, on the night of Feb. 10.

According to the confession Lambern and his sister left home to attend a dance. Near their home they met Davenport, and it was agreed that the aged father, who had forbidden Davenport to visit his daughter, and who, though wealthy, was commonly accused of making his two children slaves to the drudgery of farm life, should be killed. Davenport then went direct to the house, crept in through a rear door, and with one blow of an ax dispatched the old man as he sat in a chair by his fireside.

The two men then burned the dead man's will, by which he had disposed of an estate valued at \$50,000. After this they joined the girl, and the three proceeded to the dance, where they seemed to enjoy themselves. After the dance they all returned to the house and slept there. In the morning they spread the news of the murder.

**Rioters Plead Guilty.**

BUFFALO, April 9.—Six men implicated in the Tonawanda riot, which resulted in the killing of Captain Phillips and his son, were arraigned yesterday. Four pleaded guilty to rioting and two to participation in unlawful assembly. They will be sentenced tomorrow, with the murderers. One man, Edward Munger, was released because of fault in the indictment. Two more, William Goddard and Phil Perow, will stand trial. The tenth rioter, Laugh, skipped his bail and cannot be found.

**Free Lunches Clearly Illegal.**

NEW YORK, April 9.—Justice Beekman dismissed the writ of habeas corpus issued out by Benjamin Bassett, a bartender who was arrested and committed a few days ago for giving away free lunch with a glass beer, and remanded the prisoner. The justice holds that the prohibition against free lunches contained in the Raines law applies to the places where old licenses have been kept alive by the act until July 1, as well as to the places which shall be opened and run under a Raines law license.

**Says Cleveland Will Do Nothing.**

LONDON, April 9.—The Morning Post, in an editorial, assumes that President Cleveland will do nothing on the Cuban question, and that it is merely election tactics. "A very serious condition of things exists in Cuba," says the Post, "but it is not one that is likely to be improved by the gratuitous interference of American jingoism."

## A Jealous Woman's Divorce Refused.

TRENTON, April 9.—Vice Chancellor Reed yesterday filed on opinion denying the application of Celine Duvalle for a divorce from her husband, Charles F. Duvalle, on the ground of cruelty. The Duvalles have resided for several summers past at Atlantic Highlands. They were married in New York in 1877, and lived since then in that city and Philadelphia. Mrs. Duvalle sought a divorce in the New York courts in 1893, but the application was dismissed. She then took the case to this state. The testimony is a wearisome recital of bickerings and alleged blows, in which the wife seemed always to be the provoking spirit because of her lack of confidence in her husband's fidelity, a suspicion, the vice chancellor says, not at all warranted.

## May Have Been Farmer Bastian's Victim.

ROCK ISLAND, Ill., April 9.—A possible seventh victim has been added to the Bastian farm list of murders. Alex Sternberg, although he never worked for Bastian, was last heard of when peddling in Bastian's neighborhood. That was fifteen months ago. The men who are still at work on the Bastian farm found on Tuesday parts of an old trunk in a well that Bastian had filled up. The silver watch found last week has been identified as having belonged to Fritz Kreinzen.

## Mansfield Changes His Mind.

NEW YORK, April 9.—Richard Mansfield seems to have changed his mind again. It is now announced that the arrangement between him and Daniel Frohman has been given up. This arrangement was made public some three or four weeks ago, and it was said that Mr. Frohman was to have the entire management of Mr. Mansfield's business affairs for two years, with a privilege of renewal on Mr. Frohman's part for two years more.

## Ballington Booth's New Mission.

LONDON, April 9.—The Evening News says that it learns on the highest authority that the recent meeting between Ballington Booth and his sister, Mrs. Booth-Tucker, resulted in a compromise by which the Volunteers will continue as a distinct body for special work among the rich, with General Booth nominally in supreme command, and with Ballington Booth the permanent local head of the new force.

## A Whole Family Cremated.

WHEELING, W. Va., April 9.—Word has just reached this city from Wheeling, Marshall county, about fifteen miles from this city, that Jackson Martin, his wife and only child were cremated in a fire which destroyed their dwelling house. Some neighbors returning from church saw the roasting bodies in the fire, but were too late to give any relief.

## Ex-Treasurer Bolin Pleads Not Guilty.

## BRITISHERS AROUSED.

They Resent the Duplicity of the  
Wily Sultan of Turkey.

## THE GOVERNMENT URGED TO ACT

To Prevent the Proposed Expulsion of Missionaries—The Palace Party Said to be Thwarting the Porte's Pledges to Messrs. Currie and Riddle.

LONDON, April 9.—There is much indignation in England over the intention of the sultan of Turkey to exclude Christian missionaries from Asia Minor, and those who were active in measures in behalf of the Armenians take a leading part also in voicing the public sentiment on this question. The case of the Rev. G. P. Knapp, the American missionary at Bitlis who is detained at Diarbekir, is attracting much attention.

A special meeting of the Armenian relief committee was held yesterday to give expression of opinions on this subject. The Duke of Argyll presided, and he stated that the Duke of Westminster had received information that hostile measures against the Christian missionaries were contemplated by the sultan.

The secretary of the committee reported that an article had apparently already been signed by the sultan decreeing that the missionaries should be banished, and that Rev. Mr. Knapp's withdrawal was viewed with consternation by his colleagues and would be most disastrous in every way.

After hearing those statements of the situation the meeting adopted a resolution protesting against the measures threatened by the sultan, and urging the British government to do its utmost to secure the immediate withdrawal of the sultan.

The case of Mr. Knapp was made the subject of a special expression. C. E. Schwann, Radical member of parliament for North Manchester, proposed a resolution to the effect that the committee, having heard with regret of the imprisonment of Mr. Knapp at Diarbekir, earnestly requests the government to take immediate steps to obtain the release of Mr. Knapp, whose self denying labors in the distribution of relief to starving Armenians had been the means of saving many lives. This motion was adopted unanimously.

The meeting then appointed a deputation consisting of Canon Gore, Professor Bort and Sir J. Kennaway, Conservative member of parliament for Honiton, Devon, to wait upon Mr. Arthur Balfour, first lord of the treasury, and to urge upon him to increase the number of British consuls in Asiatic Turkey, as their presence there had a salutary effect in restraining the outrages upon Christian subjects of the sultan and in giving countenance to the work of relief by the missionaries.

Today's Chronicle says: "According to private advices from Constantinople the Palace party is thwarting the pledges which the Porte has given to Sir Philip Currie, the British ambassador, and to Mr. J. W. Riddle, the United States charge d'affaires. It is feared that another organized massacre will occur in the Cilician provinces."

## ARMY CASE WAS SUBMITTED.

PHILADELPHIA, April 9.—The medical testimony submitted before the coroner yesterday afternoon in the case of Miss Anna Tate, aged 33, a housekeeper employed by Joseph Richelderfer, of No. 1506 Swain street, showed beyond the shadow of a doubt that arsenic, which had been placed in soup, caused the woman's death. With no deliberation the jury returned a verdict in accordance and added: "We believe the poison was administered by George Barton." The suspected man is still at large.

## Racing in the District of Columbia.

BALTIMORE, April 9.—There is now no reasonable doubt that it is the purpose of those members of the racing fraternity who are not in accord with the turf congress to make Maryland the scene of their future operations. Following closely upon the recent announcement that they had secured tracks at Elkton and Arlington, and that they would build another at Barksdale, near Elkton, comes the further news that they have also leased Herring Run and Back River tracks, and that they mean in the very near future to erect others at Laurel, Md., and in Anne Arundel county, near Brooklyn. Under existing law racing can be carried on for seven months in the year without hindrance.

## A Frenchman's Views on Cuba.

PARIS, April 9.—A French resident of Cuba, writing to The Solt, draws a lamentable picture of the forcible character the war has assumed under Weyler. He believes, however, that the rebels will eventually shake off the Spanish rule. He states that Weyler allows the troops to shoot and bayonet villagers suspected of harboring insurgents. "A few days ago," he continues, "a band of volunteers, infuriated by the resolutions of the American senate, shot six sons of an American farmer at Casiguan. The United States consul general is inquiring into the matter."
